When booking THRIFTY, you may take a lower retail rate if one is available. There is an easy way to compare your corporate rate vs. the standard/retail rate but simply using the toggle switch just above the economy car type.

The ***Thrifty Corporate Program*** provides a ***very competitive low corporate rate for all corporate vehicle types. The Corporate Ceiling Rate is always the maximum one will pay, no matter what is going on in the marketplace!***

The ***Dollar Corporate Program*** is rather simple. Fixed competitive rates. This (Dollar) is meant as a back-up only to the Thrifty Program when Thrifty is either non-existent (such as LGA/JFK/EWR/SMF) or not as convenient as the Dollar store location (such as PHL/BOS).

Always use the NSA – BPA discount number and remember to sign up for ***Thrifty Blue Chip Express*** and ***Dollar Express***. If a ***NSA-BPA*** traveler already has an express membership number, update your profile with the new ***NSA-BPA Discount Number***. This free of charge service not only gives the renter a higher standard level of customer service but also entitles the renter to a customer loyalty program where one may earn free rental days or airline miles.
